

Rural Reconstruction Organisation

www.rrosocial.org

Rural Reconstruction Organisation (RRO) was founded in the year 1992 in a tribal pocket of a remote district Keonjhar of Orissa with a view to pool the skills, knowledge and potential of the members and the people for the benefit of the society and help the marginalized sections. This was an experimental project, which was running in Tangiriapal Grampanchayat of Harichandanpur block and 250 children's (136 boys and 114girls) were enrolled in different schools , mostly asharam schools of Keonjhar, Jajpur, Jagatsingpur and Kendrapada districts.

In the year 2009 -13, they have has been running two child labour special schools under NCLP (National Child Labour Project) of Govt. of India through district administration department of labour. From 2007 to 2009, running bridge course centres for the school dropouts /child labour children's /non-going children's in Brahmnipal mining area with the support of action aid Bhubaneswar. In the year 2009 -13 we have been running 2no. of child labour special schools under nclp project of govt. of India through district administration department of labour .

Environmental education program in 10 schools in Anandapur block of Keonjhar district. With the help of NCLP 100 children are getting their schooling and stipends. Provided training to 147 teachers covering 10 schools on environmental issues.
