

Om Prakash Mishra

He is Asst. Teacher in GHS – Jeypore (Koraput). He has published several research articles at National & International level. His work has been highly appreciated by **Hon'ble Prime Minister of India Sh. Narendra Modi on Twitter**. He has received State Awards and National Award for his outstanding contributions to education.

He started innovative practices towards quality education in his district 2014-15 to 2018-19.

He divided his initiatives in nine different phases and initiatives. In these different Initiatives Phases, he targeted the various issues and problems in educations being faced by students and teachers. He targeted low achievers students securing less than 30% marks in exams and was able to bring these students upto 80-90% marks. He prepare a math workbook, It helped in identifying resourceful teachers of the district and also helped in building confidence among the teachers that any educational problem can be answered. Motivated both teachers and students to be a part of news letter, which he designed and developed. Published science lab manual to facilitate the science teachers with locally available low cost materials to conduct classroom activities. Developed Kinetics : A handbook for National Means cum Merit Scholarship (NMMS) aspirants. PRATIVHA is a program to identify the hard spots of the high achiever students and address them specially designed by him with the help of other stakeholders.

He is now become the source of inspirations for other to follow.
